Once your team has BATA BULLETS, you have the ultimate.

Moulded Footbed® insoles provide perfect support and balance, won't crumble. Pacifate® protected linings prevent rot, odor, mildew, and athlete's foot infection. Softer soles grip floors better. Skin-fit tongues assure extra comfort. And canvas dries faster, is washable and won't stretch. BATA BULLETS

really last. Contact your sporting goods dealer. When the season starts, put

your boys in "coach-developed" BATA BULLETS. Correct decisions are what coaching is all about.
